HiCom Motors Pty Ltd

TO WHOM IT MAY CONCERN

My name is Peter Long, director of HiCom Motors. My company imports used vehicles from Japan.

In 1999, Colin Gilbert - "Mr Injector" approached us for work cleaning the injectors of our trucks and 4 wheel drive vehicles.

As we had tried all the on board systems on the market at the time and found them desperately lacking in results, we were extremely skeptical.

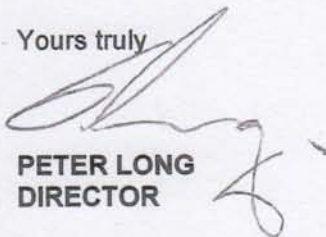

After the initial demonstration, we were amazed at the results. In our opinion, this is the best on board cleaning system on the market bar none.

From the initial demonstration, Colin cleaned the injectors of every truck and 4 wheel drive. After 100 vehicles' injectors had been cleaned, we bought a system from Mr Injector and use this system on every vehicle we sell.

We highly recommend Colin Gilbert and his company, "Mr Injector". Colin has been honest and reliable and we consider him a person you can confidently do business with.

Please feel free to contact me if you require any further information.

Yours truly

PETER LONG
