**Re Mr Injector**

Joe Crisafio Service Centre has been using Mr Injector services for over 4 years with exceptional results.

Mr injector has been used on various makes and models and both petrol and diesel vehicles. The results to date have been nothing short of amazing.

Excess smoke emissions in diesel vehicle have been reduced to legal levels. Rough idling vehicles rectified in 1 hour with Mr Injector.

Most clients who have the service carried out are amazed how much more power and better fuel economy their vehicle deliver.

I have no hesitation in recommending Mr Injector services both business and my clients.
